Introducing LawLink

A digital bridge between people and the right law clinic

A screenshot of the LawLink website banner. The background is a dark brown color with a subtle geometric pattern. At the top, a small badge reads 'FREE STUDENT LEGAL ADVICE'. The main headline is 'Your rights. Simply free.' in large, white and light brown text. Below the headline, a paragraph states: 'Law Link connects you in minutes with the right student law clinic: AI-powered, location-aware, and completely free of charge.' There are two buttons: 'Describe my situation >' and 'See past cases'. Below these buttons, three checkmarks indicate: '✓ Free for clients', '✓ No account required', and '✓ Takes 2 minutes'. At the bottom, three statistics are listed: '64 law clinics across Germany', '100% free legal advice', and 'AI-powered intelligent matching'.
